DAILY PUBLIC LEDGER—1898.

MAYSVILLE, KY., SATURDAY, AUGUST 10, 1907

ONE COPY—ONE CENT.

Lexington's big Bluegrass Fair opens Monday.

Thirty-five Italians right from the old sod, joined the railroad camp below town yesterday.

A reward of \$100 offered by buying a good piano from Gerhrich. No job lots sold by him.

Hattie Lightfoot was drunk and on a rampage in Fourth street last evening, much to the disgust and annoyance of the good citizens of that vicinity.

Mr. William Mitchell was taken suddenly sick at his business warehouse in Front street Wednesday morning and continues very ill at his boarding house in West Fourth street.

Mr. Richard McNutt, who has been a resident of Lewis county for some time, will soon return to his first love and take up his residence in old Mason. He is now visiting his parents, Mr. and Mrs. Samuel McNutt of West Third street.

The condition of Mrs. J. Hancock of Bellevue, who sustained a stroke of paralysis several days ago, is practically unchanged, is the latest report from her bedside. The stricken lady has the deepest sympathy of her relatives and friends in this city.

Although a diligent search was kept up all day Thursday and Friday, the Covington police have not been able to find the slightest trace of Mrs. Lillian Schaefer of that city, who mysteriously disappeared from her home some time Wednesday night, as noted in yesterday's LEDGER. The police of the surrounding cities have been notified, and the family have kept up an unrelenting search for the missing woman, but to date not the slightest clue that would explain her whereabouts has been found.

OUR SECOND GREAT
SEMI-ANNUAL
CLEARANCE

SALE

Begins Monday, August 12th,

And continues until every job in our house is sold. Last summer we contracted for extra advertising space in order to draw your attention to our sale; advertised a great and sweeping clean-up sale; stuck to the letter to what we advertised, and as a result had the most satisfactory Buggy Sale ever held in Maysville carrying over one buggy only. This year we do not intend to have one rig left in our repository, and are marking the vehicles at such ridiculously low prices and backing them up with such a strong guarantee, that you cannot help but buy if you are needing a rig of any kind. The case is this: We have the Vehicles and need the money; you have the money and need the Vehicles. Now is your opportunity.

We include in the sale all Buggies, Runabouts, Surreys, Phaetons and Carts in our repository. Don't you think it will pay you to investigate?

Judge Halsey has not entirely recovered from his injuries, being forced to attend Court daily with crutches and wheel chair.

THERE must be something good in the Philippine people. They responded to TAFT. If he regarded them as children, they looked up to him as a father.

They trust him more

Judge Taft—His Destiny than any other American, more than all

other Americans, and

if the hand of God is

in the thing, and this Government is to be made the divine instrument to civilize the Orient, TAFT is not only the logical nominee of the Republican party, but the logical candidate of the American people. Nobody knows what the outcome will be. Unless civilization has learned some new stunts, the sword will play the leading role in this drama. That Japan will insist in getting on the stage is as certain as that the Japanese are a warlike people. A time will come when our occupation of the Philippine Archipelago will be as intolerable to Japan as Spain's occupancy of Cuba was to the United States. However, that is meat for another generation than ours.

TAFT is a big, strong, healthy, good-natured man, but there is all the bulldog in him there is in CLEVELAND, and if he shall get the Presidency he will be President. His Akron speech and his judicial decisions, to which professional laboring men object, show the metal of the man. Both will cost him support, and it is just as certain that both will earn him even more support than they will cost him. The same may be said of the Brownsville episode.

THUMP BOXES

Made in sweat shops at so much per dozen are a poor purchase.

Stockyard Pianos

Made in the West by the mile and cut off into lengths like sausages are also very dear, no matter how low the price.

WE SELL

REAL PIANOS!

And there is positively no excuse for any one buying Thump Boxes, when we offer Real Pianos upon our easy payment plan, a plan easy enough to interest the most languid in the hottest days of August.

A MOMENTOUS EVENT

Is the purchase of a piano; occurring, as it does, only once in a lifetime, provided that purchase be a real piano.

SAFEGUARD THIS TRYING EVENT

As WE do and all elements of chance are eliminated. For instance, we have just received the largest shipment of Pianos that ever entered Maysville—21 Pianos. Upon looking this stock over you find, if you are a professional musician, their tonal qualities magnificent, their voicing superb, their cases a marvel of beautifully selected woods of expensive importation, their special designs of carvings and etchings an education in wood art, a familiar name upon the fall board, and much to your surprise and gratification learn that our prices are far lower than the manufacturer's established prices, and you readily purchase, never dreaming of the earnest, conscientious, nerve-wrecking work done by some one to obtain these marvelous values.

LISTEN—A representative of our house went to New York, and after inspecting hundreds of pianos selected these 21 superb instruments, made by an old-time manufacturer whose reputation has grown year by year until he has established

BRANCH HOUSES IN 17 FOREIGN COUNTRIES

To supply the thousands of people the world over demanding pianos with his name upon the fall board. This name means something. That something has been created by years of conscientious service, time-tested, tried and true!

THAT SOMETHING MEANS SOMETHING TO YOU

All chances have been eliminated; the thinking has all been done; all comparisons were conscientiously made in selecting these 21 beautiful Pianos out of hundreds of others.

'TIS SUCH BRAIN-RACKING WORK THAT

TURNS YOUTH TO OLDAGE

However, we are pleased with the result, for do we not absolutely know that these 21 Pianos are the best that the market offers for the money? Are we not in position now to back the manufacturer's TEN-YEAR guarantee with every asset of our house?

OUR JUDICIOUS PURCHASING,

COUPLED WITH

OUR TREMENDOUS SELLING,

Admits of our taking a huge slice off of the manufacturer's price. The Piano is familiar; the price is established. An agreeable surprise awaits you in our prices.

DON'T BUY A THUMP BOX;

Buy A REAL PIANO!

And buy it of a real piano house—one who goes to considerable trouble and expense to eliminate all elements of chance!

Remember that your credit is always good at THE LENIENT HOUSE OF

Winter's, Maysville, Kentucky.

If Mr. TAFT shall be the Republican nominee, I predict that Mr. BRYAN will send Judge GRAY or Mr. HARMON to the slaughter.—Savoyard in Enquirer.

At a recent meeting of the Atlanta Typographical Union a resolution was adopted requesting the International Typographical organization to set aside \$500,000, to be used as a defense fund against the proposed warfare on Union labor. The National Manufacturers' Association of America has pledged itself to set aside annually \$500,000 to fight Labor Unions. This action on the part of the Typographical Association is intended to combat that of the Manufacturers' Association.

THE women are blamed again. "Ninety per cent. of the crimes of the United States is due to bad cooking," declared Dr. C. H. IRION, State Health Officer of Louisiana, in a lecture recently. "Proper food," he said, "is needed by the human body in developing the brain. A well-fed man or animal is generally happy and is not given to criminal tendencies." Every woman before she contracts an alliance should be asked if she understands how to feed children. Half-decayed fruit is the curse of the infant, and the alarming mortality can be traced to this cause. A fly walking across a can of milk can do more harm than a buzzard tramping over food on a dinner table."

A WORRIED WOMAN.

San Francisco Argonaut.

Mrs. Meek—Of course I am worried. As a dutiful wife I can't help feeling so, for I am sure my husband is keeping something from me, and I shan't be content until I know what it is.

Mrs. Freak—My husband is keeping something from me, too, and I am worried because I know what it is.

Mrs. Meek—Indeed? What is it?

Mrs. Freak—It's money.

This is a trying time of the year. Many discomforts arise from the heat. The best way to be comfortable is by bathing often, at least twice daily, and by using a liberal quantity of talcum powder. By bathing often one keeps the skin clean and the pores open, thereby allowing the entire body to "breathe freely," which means perfect health.

The best soap to use for the bath and toilet is Picard's Complexion Soap, a non-injurious, healthful soap.

Talcum powder keeps the skin cool, relieves heat rash, stops chafing and is an excellent toilet requisite. We have a number of kinds.

GRAND DISPLAY

You May Watch the Stars Shoot Tonight

The August shower of meteors is due to take place tonight. It is one of the most attractive of the annual phenomena of the heavens. The display will be in the Northeast, well up toward the zenith and near the well known constellation Cassiopeia's Chair, that also resembles a huge letter W.

The astronomical name of these meteors is Perseids from the fact that each fiery streak points back to the constellation Persus, just East of the Chair. Meteoric stones found in different parts of the world are from the Perseids more often than from any other meteoric system.

Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials.

MOUNT GILEAD.

Mrs. D. B. Thomas' mother of Ohio has re-turned home after several days stay.

Mrs. May Grinnell was a guest of Mrs. Albert Warder while attending Campmeeting.

Mr. Charles Calvert, formerly of Orangeburg was visiting friends here last week.

Prof. Thomson of Bourbon College, Paris, Ky., has been around in the interest of his school.

Mrs. William Enochs and niece, Miss Mc-Donald of Covington, have been on a visit to the family of Mr. Alex Bramel.

Many persons for miles around have been passing in search of blackberries, which are the most plentiful of all fruit this year.

If the Springdale Correspondent would ride around and get posted he might find out that this is not the only road complained of.

Mr. Forest Lee was again gladly received as usual by his kind friends, who enjoyed with other considerations his delightful music.

Mr. H. Clay Stone and family had the pleasure of a two days visit by his brother Kinzea's wife and two daughters last week from Georgetown.

Mrs. Nannie Dohyns is in attendance at the bedside of her sister, Mrs. J. W. Foxworthy, at Flemingsburg, whose life is expected to end in a short while.

Corn is shooting and tobacco is spreading.
A big crowd from here attended Ruggles Campmeeting Sunday.

Several of Post No. 9, G. A. R., were too busy to attend regular meeting Saturday and they will be too busy to die some day.

Campmeetings are past, now for the Fairs and G. A. R. reunions, then Regimental Associations will come, then melancholy days and Christmas.

Mrs. Sarah Belle Vaughn, widow of W. I. Vaughn, is allowed a pension under act June, 1890. A. S. Cole, Notary Public, attended to prosecuting the claim.
